**PUBLIC CARRIAGE FARES IN BOSTON**

**Motor Taxicabs—Rates of Fare**

Every licensed hackney carriage operating as a taxicab shall contain a card showing the rates of fare that the particular cab is operated under and approved by the Police Commissioner and recorded in the office of the Bureau of Traffic. This card shall be displayed on the interior of the vehicle in clear view of the passenger and so placed or secured in the frame in which it is enclosed that it may not be easily molested or destroyed. Said rates shall be within the maximum and minimum rates established by the Police Commissioner, which are:

Maximum rate—45 cents first mile; 30 cents each mile thereafter.

Minimum rate—25 cents first 2/5 mile or fraction thereof; 5 cents each additional mile or fraction thereof.

Waiting time shall include all time during which the vehicle is not in motion, beginning nine minutes after its arrival at the place to which it has been called, or, if engaged in the street or at a stand, beginning nine minutes after the time of such engagement. A charge of 10 cents for each three minutes may be made. But no charge shall be made for time lost through interruption of street traffic or through the inefficiency of the vehicle or its driver, or for time between premature arrival in response to a call and the hour for which the vehicle was ordered.

Baggage—Hand baggage may be carried by passengers without charge. The carriage of trunks shall be optional with the person in charge of the vehicle, but if carried the charge shall be 25 cents for each trunk.

Ferry and Tunnel tolls will be paid by passengers.

**Public Automobiles**

Owners or drivers of public automobiles shall not solicit passengers on public ways, or from public or special stands, nor shall they occupy public or special stands. In cases where public automobiles are hired the price shall be agreed upon between the person in charge of the automobile and the passenger or passengers. Proof of what shall appear to the Police Com-

missioner to be an extortionate charge for service will be regarded as reasonable ground for believing that the owner or driver so charging is not a suitable person to be licensed.

Motor hackney carriages licensed to operate as public automobiles shall not be operated under the rates and conditions established in this rule for taxicabs.
